This shows a statistical analysis with a focus on the ANOVA test. The image contains handwritten notes and equations, including:

- A formula: \( F(\text{DF}, \text{DF}) \)
- A test statistic: \( X \)
- A critical value: \( F_{\text{crit}} = 6.0056 = 0.56\% \)

The notes mention:

- A histogram of \( F \) with some annotations.
- References to normal distribution and sample sizes.
- A mention of a lecture taking place on Jan 12th, TRA.
- A note about LN MP L-7025 322 7546 AMSS 670-17.
